

COVID-19 Control on Farms

- 1. Do not show up to work if you have symptoms or test positive for COVID-19.**
- 2. Leave personal belongings behind.**
- 3. Practice social distancing, if possible.**
- 4. Wash hands frequently throughout the day using sinks dedicated for handwashing.**
- 5. Avoid touching eyes, nose, and mouth with unwashed hands.**
- 6. Cover a cough or sneeze with a tissue instead of a hand.**
- 7. Use gloves and face masks in a sanitary manner.**
- 8. Clean and disinfect high-touch surfaces.**
- 9. Avoid sharing tools or equipment, if possible.**
- 10. Communicate with your team members and supervisor.**
