

## Packing House Sanitation Workshop

**9:00am to 3:30pm**

**May 18, 2022**

Horticultural Crops Research Station  
2450 Faison Highway  
Clinton, NC 28328

### ***Purpose***

This interactive workshop provides fruit and vegetable growers information and tools necessary to develop an effective cleaning and sanitizing program. During this workshop we will go over foundations and hands-on demonstrations of cleaning procedures and verification methods applicable to packing houses. Topics for the workshop include:

- Developing a cleaning and sanitizing program
- Equipment and tools needed
- Documentation including SOPs and monitoring logs
- Training workers/ cleaning crews
- References to the Produce Safety Rule and market requirements

### ***Registration***

The cost for this workshop is \$50.00 per participant. Registration fee includes all workshop materials and morning/afternoon snacks and lunch. A reduced rate of \$25.00 is available for a second participant from the same farm. For promo code contact Chip Simmons at [odsimmon@ncsu.edu](mailto:odsimmon@ncsu.edu) or at (919)414-5632.

To register go to: <https://www.eventbrite.com/e/325868460337>

Registration deadline for this workshop is May 13, 2022.
